MEDICAL.

EDER. MARRIEN'S Compound Syrup of Wild Cherry. Bill's Compand is one of the best remedies ever offered to the public in Coughs whether arising from Colds, or the Whooping Cough, of that decadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, and in this city, in which they have been highly gratified to learn its good effects. The Eistop of the Protestant Episcopal Church of Maryland, (the Rt. Rev. W. R. Whitingham,) has authorized us to say be has used it in his own person with decided benefit; and our medical friends do not scruple to recommend it as one of the best remedies in Consumption, Broughitis, Asthma, &c., which they have ever met with. The following is from a highly respectable Physician on Kent Island, whom we made acquainted with the preparation:

Kent Island, (Md) June 22, 1847. Syrup of Wild Cherry in several cases; one in particular, a case of Tory, Whig, and Radical. Martin & Whiteley's NATIONAL TONIC. A CERTAIN CURE FOR FEVER AND AGUE. In our Summer and Fall months many sections of our country are prostrated by this disease. It has been our particular study to find out some remedy to stop this truly dreadful scourge, and think by this scientific compound we have effected this great desideratum. It is also the best remedy to be had in all cases of Dyspepsia, if the directions in the pamphlet which is around each bottle are properly observed. Read the following certificate:

POWHATTEN FACTORY, near Baltimore, ? April 6th, 1848. Messrs Martin & Whitelen Gentlemen-It is with sincere pleasure I am able to give my evidence in favor of your valuable " National Tonic." Having been troubled for nearly tour years with the Ague and Fever, I tried almost every thing I heard of, but nothing seemed to give me any permanent telief, until a few months ago, I purchased from one of your agents (Messis, Jos. Shane & Co.) a bottle of your Tonic, and after giving t a fair trial, I am to my great satisfaction certainly cured, and have no besitation in recommending it to all persons afflicted with ague and fever, as the best remedy known.
